CLEARINGHOUSE RULE 95-056

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. In s. NR 30.03 (2) (f), “~~will~~ may” should replace “will.” [See s. 1.01 (2), Manual.]
- b. In a number of SECTIONS of the rule [for example, SECTIONS 48, 50, 55, 61, 63, 64 and 67], changes are made to provisions that contain a deadline that passed a number of years previously. If these provisions are no longer needed, it would be more appropriate to repeal them rather than to amend them. The rule should be reviewed for other examples of deadlines that have already passed.
- c. In s. NR 422.03 (4), the first reference to “counties” should be changed to showing “counties” as stricken through followed by “county” for consistency with sub. (4m) (b) and (c).
